ENVIRONMENTAL POLICY

Versatile Packaging Ltd is a company who provides packaging solutions throughout the food industry. The Directors have an extensive food background and are committed to providing environmental friendly solutions where possible.

We at Versatile Packaging understand that our operations impact on the environment and are committed to continually improving our environmental performance and preventing pollution.

We will work to ensure that all activities carried out by our company comply with all relevant Environmental Legislation and other requirements.

Through the implementation of an Environmental Management System to phase 3 **BS8 555** we aim to:

- Set realistic and measurable objectives and targets together with an Environmental Management Programme to ensure continual improvement in environmental performance.
- Reduce our energy usage.
- Reduce the amount of waste we send to landfill.
- Monitor and check our environmental performance.
- Increase the environmental awareness of our staff and customers.

We will make this policy available to the public, interested parties and those working on our behalf.
